| GEN4 PRO XTREME - "Smart" High Output Coils - Set of 8                                                                             | BS4-003-001 | \$575.00                   |
| GEN4 PRO XTREME - "Smart" High Output Coils - Set of 6                                                                             | BS4-003-002 | \$432.00                   |
| GEN4 PRO XTREME - BOSCH LSU4.9 WBO2 Sensor                                                                                         | BS4-003-003 | \$100.00                   |
| GEN4 PRO XTREME - NTK WBO2 Sensor for Methanol                                                                                     | BS4-003-008 | \$600.00                   |
| GEN4 PRO XTREME - 1/4" Type-K Thermocouple for BIG BAND Module                                                                     | BS4-003-004 | \$95.00                    |
| GEN4 PRO XTREME - Cinch Terminal Removal Kit (Used to remove & relocate GEN3 ECU harness terminals to be compatible with GEN4 ECU) | BS4-CIN-001 | \$100.00                   |
| GEN4 PRO XTREME - Dyno / Race Car Wireless Router Kit                                                                              | BS4-003-005 | \$289.00                   |
| GEN4 PRO XTREME - In-Vehicle Wireless Router Kit                                                                                   | BS4-003-006 | \$129.00                   |
| GEN4 PRO XTREME - USB-to-RJ45 Ethernet Dongle                                                                                      | BS4-003-007 | \$35.00                    |
| GEN4 PRO XTREME - 5' CAT6a Shielded Ethernet Cable                                                                                 | BS4-003-009 | \$11.00                    |
| GEN4 PRO XTREME - 25' CAT6a Shielded Ethernet Cable                                                                                | BS4-003-010 | \$30.00                    |

**GEN4 PRO XTREME - Replacement ECU**

|                                                                                  |             |            |
|----------------------------------------------------------------------------------|-------------|------------|
| GEN4 PRO XTREME - GEN4.2 ECU (BASE/COP/DAI) + 0 Optional Feature Upgrade (OFU)   | BS4-ECU-002 | \$1,395.00 |
| GEN4 PRO XTREME - GEN4.3 ECU (BASE/COP/DAI) + 1 Optional Feature Upgrade (OFU)   | BS4-ECU-003 | \$1,525.00 |
| GEN4 PRO XTREME - GEN4.4 ECU (BASE/COP/DAI) + 2 Optional Feature Upgrades (OFU)  | BS4-ECU-004 | \$1,655.00 |
| GEN4 PRO XTREME - GEN4.5 ECU (BASE/COP/DAI) + 3 Optional Feature Upgrades (OFU)  | BS4-ECU-005 | \$1,785.00 |
| GEN4 PRO XTREME - GEN4.6 ECU (BASE/COP/DAI) + 4 Optional Feature Upgrades (OFU)  | BS4-ECU-006 | \$1,915.00 |
| GEN4 PRO XTREME - GEN4.7 ECU (BASE/COP/DAI) + 5 Optional Feature Upgrades (OFU)  | BS4-ECU-007 | \$2,045.00 |
| GEN4 PRO XTREME - GEN4.8 ECU (BASE/COP/DAI) + 6 Optional Feature Upgrades (OFU)  | BS4-ECU-008 | \$2,175.00 |
| GEN4 PRO XTREME - GEN4.9 ECU (BASE/COP/DAI) + 7 Optional Feature Upgrades (OFU)  | BS4-ECU-009 | \$2,305.00 |
| GEN4 PRO XTREME - GEN4.10 ECU (BASE/COP/DAI) + 8 Optional Feature Upgrades (OFU) | BS4-ECU-010 | \$2,435.00 |

**BIG BAND 4-Ch or 8-Ch LSU4.9 WBO2 & Type-K Thermocouple (T/C) Module & Harness Kits and LSU4.9 WBO2 Sensor & Type-K T/C Kits**

|                                                                                                            |             |                            |
|------------------------------------------------------------------------------------------------------------|-------------|----------------------------|
| 4-Ch BIG BAND Module & Harness Kit - without LSU4.9 WBO2 Sensors or Type-K Thermocouples                   | BS4-004-001 | \$1,299.00                 |
| 4-Ch BIG BAND Module & Type-K T/C only Kit - without LSU4.9 WBO2 Sensors & Harness or Type-K Thermocouples | BS4-004-002 | \$1,149.00                 |
|                                                                                                            |             | <b>Dealer / Jobber Net</b> |
| 4-Ch BIG BAND Module - (4) LSU4.9 WBO2 Sensor Kit                                                          | BS4-004-003 | \$380.00                   |
| 4-Ch BIG BAND Module - (4) 1/4" Type-K Thermocouple Kit                                                    | BS4-004-004 | \$360.00                   |
| 4-Ch BIG BAND Module - (1) LSU4.9 WBO2 Harness                                                             | BS4-004-005 | \$249.00                   |
| 8-Ch BIG BAND Module & Harness Kit - without LSU4.9 WBO2 Sensors or Type-K Thermocouples                   | BS4-004-006 | \$2,598.00                 |
| 8-Ch BIG BAND Module & Type-K T/C only Kit - without LSU4.9 WBO2 Sensors & Harness or Type-K Thermocouples | BS4-004-007 | \$2,298.00                 |
|                                                                                                            |             | <b>Dealer / Jobber Net</b> |
| 8-Ch BIG BAND Module - (8) LSU4.9 WBO2 Sensor Kit                                                          | BS4-004-008 | \$750.00                   |
| 8-Ch BIG BAND Module - (8) 1/4" Type-K Thermocouple Kit                                                    | BS4-004-009 | \$675.00                   |
| 8-Ch BIG BAND Module - (2) LSU4.9 WBO2 Harnesses                                                           | BS4-004-010 | \$498.00                   |

\*GEN4 PRO XTREME ECU Optional Feature Upgrade Harness Kits, Standard Feature Upgrade Harness & H/W Kits, MWH, IWH and Smart High Output COP Harness Kits & High Output Coils can only be ordered as part of a one-time GEN4 PRO Xtreme ECU Upgrade Kit (EUK) or ECU Firmware Upgrade (EFU)
